

## A Christmas & New Year Message of Peace and Promise

**Message From the Principal**  
 By Rev. Dr. Kho Ho Peng Principal

**G**race and peace to you in the name of our Lord and Savior, Jesus Christ.

As we gather with loved ones this Christmas, our hearts are simultaneously drawn to the manger in Bethlehem and heavy with the news of war and conflict echoing around our world. The angels' proclamation of "peace on earth" can feel distant when the ground beneath so many trembles with violence. Yet, it is precisely into this world—a world as troubled then as it is now—that the Prince of Peace was born.

The peace of Christ is not the absence of storm, but a profound calm at its center. It is a peace that guards our hearts and minds when circumstances defy understanding (Philippians 4:7). This Christmas, we are called to experience this peace not by ignoring the darkness, but by actively kindling the light of Christ through prayer, through acts of kindness, and by fixing our eyes on the One who is our Everlasting Father and our Prince of Peace.

Even as we pray for global and local peace, we give thanks for the tangible signs of God's faithfulness and growth here at Methodist Theological School (MTS). He is building His kingdom in our midst, and we are thrilled to share this progress with you.

### A Report of God's Faithfulness at MTS

We rejoice in the milestones of the past year and look with anticipation to the future:

- **Celebrating Harvest:** In 2025, we have proudly sent forth 21 graduands into the Lord's harvest field. These dedicated servants are equipped and ready to share the Gospel and serve the church.
- **Nurturing New Growth:** We are delighted to welcome 9 new students who will begin their theological journey with us in 2026. Each one represents a fresh call and a new vessel for God's spirit.
- **Strengthening Our Foundation:** To support this growing

community, we are blessed to announce that 3 more faculty members in development will be returning to join our team in 2026. This is a significant answer to prayer for our academic and spiritual mentorship capacity.

### A Call to Prayer and Partnership

In the midst of this celebration, we also hold a sacred burden. Our three sponsoring annual conferences continue to face a critical shortage of workers. The fields are ripe, but the labourers are few. We echo our Lord's command and urgently ask you to "ask the Lord of the harvest, therefore, to send out workers into his harvest field" (Matthew 9:38). Pray that God would stir the hearts of many to answer the call to ministry and be trained at MTS.

### A Building for God's Future

In a mighty demonstration of God's provision, we give immense thanks for the recent approval of the MTS Building Extension Project by the Sarawak Planning Authority. This green light is a crucial step forward in our mission. Further-

<<<

more, through your generous and faithful giving, we have received to date close to half of our needed building fund, approximately RM 7.1 million. We are overwhelmed with gratitude for this progress and trust in God's continued provision for the remaining amount.

This Christmas, as we

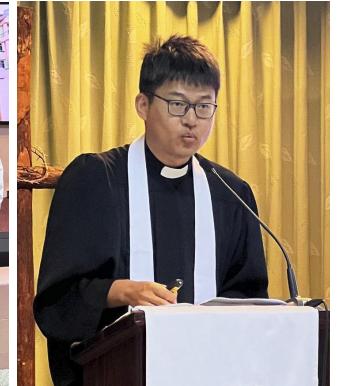

remember that the Word became flesh and dwelt among us, we are reminded that God is in the business of building—building His church, building His people, and building a future filled with hope. Thank

you for being a vital part of this mission through your prayers, your support, and your partnership.

May the profound peace of Christ, which transcends all understanding, fill your hearts and homes this Christmas season and throughout the coming year.

# Support MTS

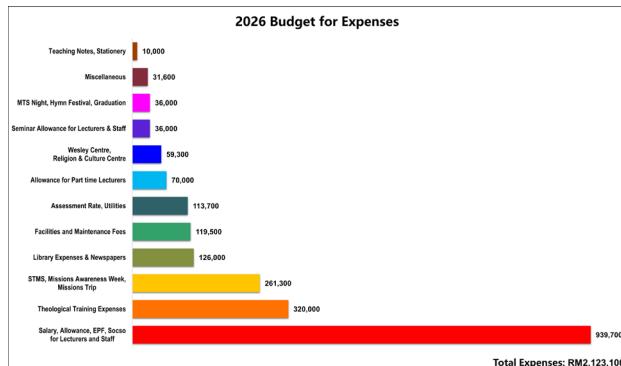

To continually promote the ministries and educational development of the Methodist Theological School (MTS), we hereby present the 2026 budget and the progress of our expansion project, hoping that churches and brothers and sisters will continue to unite in prayer and giving.

### 1. 2026 Budget for Expenses

In 2025, the total expenditure of MTS was RM 1,777,031.96. We extend our heartfelt thanks to all brothers and sisters who generously contributed to support the school's various ministries, enabling its steady operation.

Looking ahead to 2026, MTS's budget is **RM 2,123,100**. We pray that God will prepare and inspire more individuals and churches to contribute toward the school's general fund, either in the name of the church or personally.

We sincerely welcome contributions from churches and brothers and sisters to support MTS ministries. Please indicate "**MTS General Fund**" when donating, so that the funds can be used appropriately.

### 2. Progress of the Fourth-Phase Extension Project

The fourth-phase extension of MTS is still actively underway, with an estimated total cost of RM 15,000,000. As of October 31, 2025, a total of RM 7,101,248.29 in donations has been received. The building extension blueprints have been approved by the SPA.

We thank God for His guidance and sincerely appreciate all congregations and brothers and sisters for your generous contributions and prayers. The completion of the expansion will provide the school with improved teaching facilities and advance the development of the library, equipping and training

more pastors, missionaries, music workers, and lay leaders to serve diligently for the expansion of God's Kingdom.
